

DURO-LAST® SCREW POINT CAP™

DESCRIPTION:

The Duro-Last® Screw Point Cap™ is designed to cover the point on Duro-Last #14 screws that penetrate below the deck. This can be helpful, especially in areas used for athletic events, where there is risk of the screw points piercing basketballs, volleyballs, etc.

ORDERING:

The Duro-Last Screw Point Cap is available in black or white. It is packaged and sold in quantities of 500.

INSTALLATION:

1. The Duro-Last Screw Point Cap is designed to be twisted onto the end of a #14 screw.
